Also connect with your neighborhood families and your social media network!

Help is available  
for you to  
maintain a steady  
work schedule!

These camps are willing and available to help the community should there be a need for additional space: Camp Brookwoods in Alton; The Todaro Leadership Center, and North Woods & Pleasant Valley Camps, operated by the Y of Greater Boston.

Wolfeboro resident Linda Murray has a long history of volunteering when it comes to supporting working parents. She continues to do so now by bringing together a group of local leaders to seek out physical space and money to help area families with school age children keep their jobs during this challenging school year. Let us help you!
